Section	US	Health Measurement	US-2
Section	CP	Interview Session Notes	US-6

HOUSEHOLD: (RT)	is a person or group of persons occupying a part or entire building and who usually live together and eat from the same kitchen. What is meant by eating from one kitchen is that the arrangement to fulfill daily necessities is jointly managed.
HEAD OF THE HOUSEHOLD: (KRT)	is a person among the group of householders who is responsible for satisfying daily necessities of the household or a person who is regarded/assigned as the head of the household.
HOUSEHOLDER: (ART)	is anyone who usually lives in the household, whether she/he is at home during the survey or is temporarily absent. A householder who has been away for 6 or more months, and a householder who has been away for less than 6 months but plans to move out/be away for 6 or more months is not regarded as a householder. A guest who has stayed in the household for 6 or more months or a guest who has stayed in the household for less than 6 months but plans to stay for 6 or more months is regarded as a householder. (The name of a householder is to be written on one line only.)

AR00X. I would like to confirm the names of all the people who live in this household. Please list all the people that stay here, eat and cook together in the household. Are there any other people that you have not mentioned?

(Note with reference to the Roster: the names that are recorded here are only the people who usually stay in this household: adults, children, and infants. List the household head, the wife of the household head, their children (birth, step, adopted), parents, in-laws, siblings, siblings in-law, grandchildren, grandparents, aunts and uncles, nieces and nephews, cousins, tenant, and servants (non-family members) other family members and other non-family members).
